WRITE UP

Jacques Pepler is a highly motivated and passionate production manager & co-ordinator with a great deal of tenacity. Goal orientated and extremely organised he is the person you want on your team. Having had a career in performance, he knows too well how productions and sets operate. Jacques is a team player and an intuitive people's person who is able to seamlessly adapt to a fast paced work environment. Having just come off two feature films, Jacques is quickly working himself up the production ladder.
