## WRITE UP

Jane of all trades, master of Some, Suzzi Solutions, these are just a couple of the ways to describe this charismatic girl. She is an experienced singer, presenter and actor, that has learnt a lot working in front of the camera and now is exploring the realms of magic behind the scenes. She has a thirst for knowledge and team work, she listens and is always thinking 10 steps ahead. She is prepared, on time and task driven and has some mad admin skills.

Suzzi has experience in directing lifestyle inserts and has conceptualised and produced all her own music videos. She is also an experienced casting agent and loves working with actors. Getting the best performances and casting the right people is key for any project. Suzzi has an uplifting spirit and having her on your team will most defiantly add energy and passion to your production.
