WRITE UP

A keen storyteller at heart, Leeroy finds beauty in the mundane. Having been involved in entertainment from the age of 6 – he’s always known that the world of the moving image - is where he belongs. Where he thrives. Leeroy’s involvement spans across performance, casting for film + TV, content producing, content creation, production coordination. He has a keen eye for detail – from call sheets, to presentation layouts, to people management, to creative and logistic execution. First and foremost a people person. Connection, collaboration and creativity is where he shines.
