## WRITE UP

Tim Greene is an award winning South African film maker, best known for writing and directing the feature films BOY CALLED TWIST (2004) and SKEEM (2011), and as a showrunner on numerous award-winning South African TV shows. In 2021 his third feature film, CABIN FEVER is about to be released internationally, and he is currently in post-production for his fourth, called THE FURY. In 2021 he cut Meg Rickard's feature Atlantis for Moonlighting / Known Associates and enjoyed the process so much that he decided to start pursuing freelance work as an editor for hire.
