## WRITE UP

Divan de Villiers is an experienced cinematographer and steadicam operator who has spent many years building himself up in the television industry. Comfortable working across various genres and formats, Divan is a proven performer with an eye for fine detail. He's worked on countless productions, from live broadcast to location dramas and as an owner of a steadicam rig he is also a specialist in this field. An easy traveller with a thirst for adventure and a personality to match it, Divan is a must-have on your team.
