Hloni is an easygoing Kasi guy; he doesn't speak much until you get to know him. He loves his work and puts passion in everything he does. He is a creative thinker that turns the simple into the crazy. Starting out in various jnr roles and gaining experience across the board, Hloni found his true passion in the edit suite. Having done a number of promo campaigns and commercials for and Afropulse Media, Hloni also thrives in the role of promo producer.
