WRITE UP

Rishande van der Merwe is a skilled GFX artist who has already worked on a number of South African feature films, drama series and commercials. All this has been achieved in a short period of 5 years, just again showing how skilled she is. A notable feather in her cap is her work on the hit Netflix series, Queen Sono. She strives for perfection with all her work, dedicating hours and hours of passion into each production she takes on.
