WRITE UP

Rofhiwa is a very passionate, focused and dynamic cinematographer. His career path started at Dzuguda Productions where he worked himself up from production driver through to camera assistant. Skip a bit forward in time and these days he works on multiple productions as a DOP or camera operator. From reality to music, Rofhiwa is comfortable in any television format. The experience and skills he's learnt on his way up have all helped to shape him as a cinematographer and as a human. He believes strongly in self-actualization, mind growth and leadership, which explains why he is also busy studying his LLB.
