WRITE UP

With 13 years' experience in the broadcasting industry as Senior editor, Vision mixer and Studio technical director, Stephan is a fast, creative and enthusiastic editor, providing end-to-end editing services. With a passion for storytelling and extensive experience in Natural History and Documentaries, genres he's worked in include documentaries, wildlife, factual entertainment, promos, sport, web films and live performance. Being familiar with a range of creative software solutions Stephan has additional technical skills that include studio and multi-cam projects, live events vision mixing and technical directing. With these skills, Stephan is ready for more exciting projects in an ever changing industry.
