## WRITE UP

Theo is an enthusiastic editor who believes in creativity and believes that entertainment is making magic. Having worked on numerous formats he is a multi-skilled editor. He is a hard working person who is never afraid to take on new challenges. Taking immense pride in his work, he is willing to walk the extra mile to get the results that are expected from him. Famous for being a team player, Theo is renowned for excellent communicational skills with his co-workers and has worked under some of the top directors in the South African film industry.
