WRITE UP

Tshego an ambitious young woman who strongly believes in herself. She is a team player and runs productions to a tee, working in detail, within budget and within time constraints. Her production experience has enhanced her knowledge, but she is as hungry as ever to keep on growing in an ever-evolving industry. Her skills range from Film, TV and event production management and coordinating and scheduling, to AD Traffic management. She uses her spare time to pursue her passion for conceptualizing new content and scripting.
